## WALSH TOO GOOD FOR PUTNAM

Taftville Put "Bill" Martin of the New England League to the Woods-Larry McLean Pounds Out Four Safeties-Score 5 to 1.

(Special to The Bulletin)

Putnam, August 21,1914.—Putnam's fine ball for the Lynn team of the New England league and they just went to everything he served them that trimming that it has had this season Saturday afternoon, when the Taft-ville team drifted in here and smeared the locals all over the filed. ville team drifted in here and smeared the locals all over the filed. The fact that Putnam had a big feaguer, a New England league pitcher and some old-time state leaguers in their lineup didn't seem to impress the sprightly visitors very much. They just went right in with their war clubs and pounded the ball all over the lot. When the pastime was over they were on the long end of the 5 to 1 score, and were giving the locals—team and supporters—the merry ha ha.

Walsh, the little Fordham pitcher, did the twirling for John Benoit's Taftville's and he had everything he needed to get away with the game. He had plenty of speed, good control, and mixed swift ones and slow ones in a way that was impressive. He used a nice little floater that had the number of the Putnam players breaking their backs to get it. He not only succeeded in fooling the batters with this, but as well, according to all of the Taftville rooters and some of the Putnam fans, Umpire Marion as well. At least there was a lot of kicking on strike and ball decisions and in one to walk over and stop some of it, but

or two instances some of the land players joined in.

Big Bill Martin essayed to do the pitching for Putnam. He had a bad day, to let him down easy. His control was bad. Then when he did get them over the usual treatment was to wallop them out of the lot. Those wallop them out of the lot. Those or the Taftville boys had no consideration games.

Putnam fans, Umpire Marion as well. At least there was a lot of kicking on strike and ball decisions and in one or two instances some of the Putnam players joined in.

Tather rath at McLean threatened to walk over and stop some of it, but his warning was sufficient and no more was heard of the mouthy one who didn't seem able to discriminate

SATURDAY'S MARKET. nternational Affairs Had a Depressing Effect on Stocks and Bonds.

New York, Aug. 21.—International affairs loomed large on the financial horizon today. Stocks were liquidated with feverish haste in consequence of latest developments in the Arabic episode. Concern regarding this country's relations with Germany was heightened when it became known that the British government had made specific denial that the Arabic was under naval protection when attacked. Advices from Washington to the effect that our ambassador at Berlin would probably be directed to make representations to the German foreign office offered fur-ther cause for apprehension.

Opening prices, while generally low-er, mainly affected the war shares, but the selling movement comprehended such leaders as United States Steel. Union Pacific, and Reading. Transac-tions in Setel were even larger than in the early days of the week and at the height of the decline a break of 5-8 was recorded between sales.

Steel fell to 70 1-4, a loss of 3 1-2, Union Pacific at 127 1-8 broke 3 and Canadian, Southern Pacific and Reading yielded virtually 2 points such at

active of the prominent war stocks, sustained a loss of 11 points at 274, with 4 points decline in the preferred at 141. General Motors fell 9 1-2 to 200, New York Air Brake 6 1-2 at 126-1-2 and Pressed Steel Car 5 1-4 at 56. Other issues of the same class, as well as Motors and minor equipments fell many followers of baseball here were taken by surprise Saturday at Putnam, when the Putnam management announced that Moosup would play few recoveries from that level being mostly fractional. Total sales approximated 550,000 shares, of which Steel seupplied almost 25 per cent. Metal shares were extensively traded in, Anaconda falling 4 1-8 to 67 and Tennes-

Some of the week's financial undertakings were reflected in the bank statement, which showed an actual loan expansion of about \$32,000,000 with a cash gain of almost \$11,000,000, while reserve increased by \$5.354,000.

Bonds were weak in sympathy with stock declines. Total sales par value aggregated \$1,600,000.

When You Can't Smoke

> that's the time to chew LIBERTY. When you can smoke-that the time to choose LIBERTY.

This pure Kentucky tobacco is the great favorite with men of vigor. It is fullbodied and satisfying. It from the natural aging we

give it for three to five years. And that is what keeps its quality up, always the same, no matter what the year's crop may be.

Long Cut Tobacco

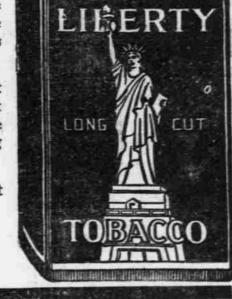

has always given prime pleasure to manly men. A LIBERTY man never switches to another brand; he knows he's losing time and pleasure on a needless experiment. Many brands come and go into the discard -while LIBERTY holds old friends and makes new ones every day.

There's a snappy taste to LIBERTY that policemen and other big fellows like. It's got that man-size quality about it; not one of those insipid, next-to-nothing tobaccos-but the big king-brand for the he-men on the force.

A week's trial will make you a permanent user of LIBERTY-go to it today.
